AGREEMENT FOR INSTALLATION AND MAINTENANCE OF EXISTING AND NEW LANDSCAPING

THIS AGREEMENT is made this _____ day of _____, _____, between David Anderson hereafter referred to as "Property Owner," and the CITY OF LAFAYETTE, a Municipal Corporation, hereafter referred to as "City."

RECITALS

THIS AGREEMENT is based upon the following facts:

1. Property Owner is the owner of real property in the City of Lafayette, 3158 Lucas Drive, (Assessor's Parcel Number 238-153-003) described in Exhibit "A" attached to this Agreement and made a part of it by this reference;

2. On 12/11/2007, the City granted a Hillside Development Permit to the Property Owner in accordance with the zoning ordinance of the City of Lafayette.

3. By the terms of the Hillside Development Permit, the Property Owner is required to install and maintain landscaping in accordance with a plan approved by the City on 12/11/2007, a copy of which is on file in the City Office to which reference is made for further particulars;

4. Both parties recognize that the installation and maintenance of landscaping is an integral part of the Property Owner's plan for development of the property, and is necessary to carry out the purpose and intent of the City's Land Use regulations, and that the development would not have been approved by City without the assurance that this Agreement would be executed by Property Owner.

NOW, THEREFORE, IT IS AGREED BETWEEN THE PARTIES, as follows:

1. PURPOSE. The purpose of this Agreement is to assure (a) installation of the landscaping in accordance with landscape plan previously approved by the City and (b) continued maintenance and care of the existing landscaping.

2. PROPERTY SUBJECT TO AGREEMENT. The property which is the subject of this Agreement is described in Exhibit "A" which is attached to this Agreement and incorporated in it by this reference.

3. CITY PROCEEDINGS. Reference is made to the Design Review Commission proceedings conducted by the City (Planning File No. HDP23-07) and the landscaping plan for the property, a copy of which is on file in the City Offices.

4. LANDSCAPING AS A BENEFIT. Property Owner agrees that the landscaping which he/she is obligated to provide will materially benefit his/her property and is necessary to comply with the 27 condition(s) imposed by the City as a requirement of the development of the property.

5. DUTY TO INSTALL AND MAINTAIN LANDSCAPING. Property Owner agrees to complete the installation of the approved landscaping prior to final building inspection approval, and diligently to maintain and care for the landscaping which he/she installs, using generally accepted methods of cultivation and watering. Property Owner shall maintain that standard care necessary to prevent the landscaping from deteriorating to the extent that its value as landscaping is destroyed.

6. CITY MAY MAINTAIN LANDSCAPING. Property Owner agrees that if he/she fails to meet the standard of maintenance necessary to keep the landscaping in a healthy condition, the City will give written notice of the deficiency to the owner who shall have 20 days to make the necessary correction, and if the correction is not made within 20 days the City may elect to take the steps necessary to assure that the landscaping is maintained and cared for. To do this, the City shall service a notice of its intent to enter the premises for this purpose. The City shall either personally serve the notice upon the Property Owner or mail a copy of it by Certified Mail at the Property Owner's last known address, or as shown on the tax rolls at least 15 days in advance of the date when it intends to enter the premises. For this purpose, the City may enter upon the property and perform such work as it considers reasonably necessary and proper to restore and maintain the landscaping. The City may act either through its own employees or through an independent contractor.

7. CITY'S COSTS OF MAINTENANCE A LIEN. If the City incurs costs in restoring or maintaining the landscaping after following the procedure set forth in Paragraph 6 above, the City shall make demand on the Property Owner for payment, if the Property Owner fails to pay the costs incurred by the City within 30 days of the date demand was made, the City may make the costs a lien upon the real property described in Exhibit "A" by recording a notice that it has incurred expenses under the terms of this Agreement with the County Recorder of Contra Costa County. The notice shall state the fact that the City has incurred the costs under the terms of this Agreement and shall state the amount, together with the fact that it is unpaid, and draws interest at the rate of 7 percent a year until paid.

8. ADDITIONAL REMEDIES. The City may as an alternative to the lien procedure set forth above in Paragraph 7, bring legal action to collect the sums due as the result of making of expenditures for restoration and maintenance of the landscaping. The Property Owner agrees that if legal action by the City is necessary to collect the amount expended by the City, the Property Owner agrees to pay the City a reasonable sum as attorney's fees and court costs, together with interest from the date which is 30 days after the City has given its notice, under Paragraph 6 above.

9. NOTICES. Notice given by each party to this Agreement shall be given to the other party at the address shown below:

Notices to the City shall be addressed to the Planning Services Manager, City of Lafayette, 3675 Mt. Diablo Boulevard, Suite 210, Lafayette, CA 94549. Notices to the Property Owner shall be addressed to him/her at the following address:

David Anderson
3158 Lucas Drive
Lafayette, CA 94549

When Property Owner ceases to be the owner, he/she may file with the City a notice to that effect containing the name and address of the new owner and a copy of the deed. Upon doing so, the subsequent Grantee is charged with the obligation under this Agreement.

10. MISCELLANEOUS TERMS AND PROVISIONS:
   (a) If any provision of this contract is adjusted invalid, the remaining provisions of it are not affected.
   (b) Notice to Property Owner shall be considered to have been given to him/her when sent to his/her address above stated.
   (c) This writing contains a full, final and exclusive statement of the contract of the parties.
   (d) Property Owner appoints the City as his/her Attorney-in-fact, to do all acts and things which the City considers necessary to restore or maintain the landscaping approved under the Design Review Commission proceedings.
   (e) If there is more than one signer of this Agreement as Property Owner, their obligations are joint and several.
   (f) The obligations upon the owner signing this Agreement terminates personally as to him/her when he/she conveys his/her interest in the property and files for record with the County Recorder a copy of assignment of this Agreement. In this case the new owner(s) takes title subject to the requirements of this agreement.

11. AGREEMENT ATTACHES TO LAND. This Agreement pertains to and runs with the real property described in Exhibit "A". This Agreement binds the successors in interest of each of the parties to it.

12. CITY MAY REQUIRE ADDITIONAL SECURITY. If upon execution of this Agreement or during the course of performance the City considers that it is necessary to have the Property Owner post additional security to guarantee the performance of his/her obligations, the City may require the Property Owner to post additional security. The City may require either a cash deposit or a surety bond guaranteeing performance, signed by sureties, and in a form deemed satisfactory to the City. The condition of the security shall be that if the Property Owner fails to perform his/her obligations under this Agreement, the City may in the case of a surety bond require the sureties to perform the obligations of the Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day and year above written.
